INTERNATIONAL SEMINAR

ON

**Capturing Artificial Intelligence In Present
Scenario**

(6th JANUARY 2024)

UNDER THE AEGIS OF IQAC

ORGANIZED BY

Department of Food And Nutrition

&

Department of Mathematics and Computer

About the Institution

On 15th July 1954, Govt. M. H. College of Home Science and Science for Women, Jabalpur came into existence of establishing an educational institute to educate women of central India. This is one of the pioneer institutes of M.P. and is affiliated to RDVV, Jabalpur. Over the years the college has maintained it's standard by optimum utilization of facilities, and equalization of educational opportunities to weaker section of society.

About the Seminar

Artificial Intelligence(AI) is a wide-ranging tool that enables people to rethink how we integrate information, analyze data, and use the resulting insights to improve decision making. By using sensors, digital data or remote inputs it combine information from variety of different sources, analyze the material instantly and act on the insights derived from those data. With the applications in diverse sectors whether it is in finance, national security, health sectors, Criminal justice, ethical issues AI may become the single most influential human innovation in history.
