Month – August 2022

Topic of event – Jak Rifle Shooting

Date of event – 26 / 0 8 / 2022

Place of event - Jak Rifle RC

Subject – Shooting

Incharge - Ms. Manju Barkhane

Purpose of event – Shooting is the act or process of discharging a projectile from a ranged weapon. Even the acts of launching flame, artillery, darts, harpoons, grenades, rockets, and guided missiles can be considered acts of shooting. Shooting cannot place shooting range of in the field in shooting sports, hunting or in combat. The person involved in the shooting activity is called a “ Shooter “ .

Impact of event - Next to the bench rest style of shooting the Prone position shooting technique is the most accurate style of shooting that every hunter and sport shooter needs to master. As bench rest shooting requires a lot of gear furniture to set up, is it often. Prone shooting is great to teach marksmanship to younger hunters at its fun, safe and requires very little strength.
