Haritima

2023-2024

Dr. Anuradha Dave is a distinguished academican serving as the Professor and Head of the Department of Botany and Microbiology at Government M.H. College for Science for Women in Jabalpur. Her academic journey is marked by notable qualifications including B.Sc, M.Sc, M.Phil, and Ph.D, with a specialization in Plant Pathology. Dr. Dave is recognized as a subject expert in Genetics and Biotechnology, with an impressive teaching experience spanning 38 years at both undergraduate and postgraduate levels. She commenced her career as an Assistant Professor on April 19, 1986. With a robust research background, Dr. Dave has contributed significantly to her field with over 20 research papers and book chapters published in various national and international journals. She has also presented more than 15 papers orally in seminars, workshops, conferences, and webinars. Dr. Dave has mentored numerous postgraduate (Microbiology) students in their dissertation work and guided two young scientist research scholars and participants of Youth Scientists Fellowship schemes. Additionally, she has

served as Chief Editor/Assistant Editor for various journals and magazines. Dr. Dave's commitment to academic excellence extends beyond research and teaching. She has completed two Minor projects with MPCOST Bhopal, currently supervises one Ph.D. student, and has organized numerous seminars, webinars, workshops, and lecture series.
