Safety Policy

Being a Women's College the Institution makes various efforts to ensure the safety and security of its students. This Safety Policy ensures that the College has several safety measures in practice.

- The College provides 24*7 CCTV cameras for escort services for routine security of students and staff within assigned area.
- The college Hostel has its own security guard.
- Students are only authorized to enter the college gate after presenting their college issued identification card.
- There are security men posted at the College gates round the clock in shifts.
- High Compound Walls provide safe enclosure.
- Fire Extinguishers are available at every department and administrative block.
- Demonstration of Fire Safety Drills and other techniques by professionals from the Department of Fire or other experts in the nearby area is organized every year.
- Entry & Exit notebook is maintained to check unwarranted entry or exit.
- Information regarding the Safety policy of the College are share at the student induction programme, conducted for first year students every year.
- Apart from these the police department also briefs students on occasions, informing them of government initiated safety programmes and providing crucial phone numbers in case of any emergency
- Every department has its own safety measures according to their work environment.
- The college also has a harassment cell and anti-ragging cell where girls can report and have their issues addressed.
